

# Course Outline

## PPL10 - Healthy Active Living Education, Grade 9

All courses within HDSB are taught in learning environments that promote inclusive education, and identify and eliminate discriminatory biases, systemic barriers, and power dynamics that limit the ability of students to participate, learn, grow, and succeed. All students see themselves reflected in the curriculum, their physical surroundings, and the broader environment, so that they are engaged in and empowered by their learning experiences.

In this course you will use the **LIVING SKILLS: Personal Skills [PS]** (Self-awareness and self-monitoring skills, adaptive, management, and coping skills), **Interpersonal Skills [IS]** (Communication skills, relationship and social skills) and **Critical and Creative Thinking [CT]** (Planning, processing, drawing conclusions/presenting results, reflecting/evaluating) to learn about:

|                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |

### Learning Skills & Work Habits

- ❑ Responsibility
- ❑ Organization
- ❑ Self-Regulation
- ❑ Independent Work
- ❑ Collaboration
- ❑ Initiative

Learning skills and work habits are an important part of your growth. Learning Skills and Work Habits will be taught, assessed, evaluated, and shared on your report card. This gives you and your parents/guardians valuable information about your learning.

| <b>How your grades will be determined</b>                                                                                                                                                                                                                                                                                                                                                                                                                                         |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <p>Your work throughout the semester accounts for <b>70%</b> of your final grade:</p> <ul style="list-style-type: none"> <li>• Your teacher will collect and track evidence of your learning through observations of your work; conversations with you; and by evaluating the work you produce.</li> <li>• Your teacher will provide feedback to help you with further study and improvement</li> <li>• Your 70% work will be returned for your review and reflection.</li> </ul> | <p><b>10% Knowledge &amp; Understanding:</b> Your ability to recall facts, definitions, skills and strategies, safe practices and procedures along with an understanding of processes, techniques, ideas and relationships between concepts in health and physical education</p> <p><b>40% Application:</b> Your ability to apply and transfer the knowledge and skills developed to new contexts and make connections within and between various contexts in health and physical education</p> <p><b>10% Thinking:</b> Your use of planning, processing and critical and creative thinking skills to demonstrate your understanding of concepts in health and physical education</p> <p><b>10% Communication:</b> Your expression and organization of ideas and information, communicated to different audiences through oral, written and/or visual forms using health and physical education conventions, vocabulary and terminology</p> <p><i>(The Health and Physical Education Program Leads Subject Council has determined the weightings of the above categories for this course)</i></p> |
| <p>The Final Evaluations account for <b>30%</b> of your final grade<sup>3</sup>:</p> <ul style="list-style-type: none"> <li>• Final Evaluations will challenge you to demonstrate your knowledge and skills related to the overall expectations for the course</li> </ul>                                                                                                                                                                                                         | <p><b>5% Performance Task:</b> In a sports/games-day format, you will demonstrate personal movement competence in sending skills in a variety of traditional and nontraditional territory activities.</p> <p><b>10% Performance Task:</b> In a sports/games-day format, you will demonstrate sport and game strategies (e.g., one offensive strategy and one defensive strategy) in traditional and nontraditional territory games.</p> <p><b>15% Well Being Journey:</b> In the Final Performance Task, you will reflect and demonstrate your learning and understanding of the overall expectations of the course (e.g., personal health-related physical fitness, the use of appropriate decision-making skills, and conflict resolution skills). Your evidence of learning will emphasize the impact of the course experience on your well-being journey.</p>                                                                                                                                                                                                                                 |
| <p>Your <b>final grade</b> will be calculated by combining your Term (70%) grade and your Final Evaluations (30%).</p>                                                                                                                                                                                                                                                                                                                                                            |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |
